

SPORT FISHING TIME

Enjoy a quiet yet sport time at Mediterranean. We offer you a possibility to fish and relax. You get all the necessary equipment and 2 motor boats one of which is a sport fishing professional boat. It is equipped in the newest mechanisms to detect fishes so that you can choose the best spot to stop and fish. Our crews, also, they know places that are richer in fish but still not that far from the

coast. The activity that we propose is a sustainable fishing, means that all fish gets back to water, once fished.

Capacity: 20 pax

Possibility of the catering on the boats.
