

We can organize a banquet, dinner or informal cocktail at sea with Barcelona's skyline in the background, aboard a classic boat, sailboat or catamaran. We have several options for a great nautical celebration.

The plan may consist in a small cruise for two to four hours or even a meal, moored in the harbor.

We can offer boats with capacity of 10, 20, 80 or 125 people, ideal for this kind of experience. Additionally we can organize lunch, dinner or a light catering aboard.

Most of our boats are available year-long and are right in the Port Olimpic in Barcelona.
